About Me:

As a recent graduate of Bachelor of Science in Information Technology (BSIT) from the University of the East-Manila, I am an enthusiastic and hardworking individual with a passion for technology. I have a strong desire to constantly improve my skills and knowledge in this field, and I am excited to bring my dedication and expertise to a new opportunity. I am a reliable team player who enjoys collaborating with colleagues to achieve goals and exceed expectations.

Work Experience:

- Collaborated with a team to develop and maintain websites and applications
 - Designed and developed front-end web content using HTML, CSS, and JavaScript
 - Conducted user experience testing and made improvements based on feedback
- Communicated effectively with clients and colleagues to ensure project success

Educational Attainment:

- Bachelor of Science in Information Technology, University of the East-Manila (2025)

Skills, Training, Seminar Attended:

- Python Programming Seminar, University of the East-Manila (2021)
- Web Design Workshop, XYZ Training Center (2021)
- Cybersecurity Training, ABC Agency (2020)
- Internship at DEF Government Agency (2019-2020)
- Assisted with website maintenance and content creation
- Developed technical and interpersonal skills through on-the-job training

Hobbies/Interests:

- Exploring new technologies and programming languages
- Playing online games to improve critical thinking and problem-solving skills
- Reading technology-related books and watching documentaries to stay up-to-date with industry trends
